

Focus on Savings

for your Group Term Life
insurance protection

The CMA/County Medical Associations and Societies are pleased to announce a new 10-year and 20-year Term Life program for members. You now have a choice of locking in your premium rate for the first 10 or 20 years of your policy,* enabling you to achieve dramatic premium savings. And you can apply for limits of up to \$1,000,000!

Now is the time to take a good look at the CMA/County plan if:

- It has been more than one year since you last reviewed your life insurance protection
- You had a change in lifestyle (e.g., married, had a child, adopted a child, taken out a mortgage or business loan or invested in a new practice)
- The long-term assets that you once counted on for your financial planning no longer seem as secure as they once did
- You think you may be paying too much
- The amount of coverage provided by your medical group isn't enough and you can't take it with you if you leave

Call Marsh today at **800-842-3761** for information on this new program and to determine how **you can save** on your life insurance! Or complete the form on page 2 and fax it to **213-346-5946**.
